

## PFAS Compliance Statement

We, International Wire Group, Inc., hereby declare that, to the best of our knowledge and based on the information provided by our supply chain, the products and/or materials supplied by our company:

1. Do not contain any intentionally added Per- and Polyfluoroalkyl Substances (PFAS) as defined by applicable international, federal, state, or local regulations with the following exceptions:

<b>Aluminum 1000 Series Products</b>
<b>Copper Clad Steel Products</b>

2. Have been reviewed against regulatory requirements, including but not limited to:

- U.S. EPA Toxic Substance Control Act (TSCA)
- EU REACH Regulation (EC) No 1907/2006
- Any relevant state-level PFAS restrictions

3. Are manufactured in compliance with all applicable environmental, health and safety standards. This declaration is based on supplier declarations and material safety data sheets (MSDS/SDS), internal product composition reviews and reasonable due diligence in our supply chain. We are committed to promptly notifying our customers if any PFAS-related non-compliance is identified in the future.
